OS X 10.6.8 is the eighth major update to OS X since the release of. For more information about OS X 10.6.8, Sharing is caring! Like this: When you eat and drink, do you ever feel like you're eating people? This is an actual quote from the Bible. The Bible uses words like flesh, blood, bone, and marrow and they make us think of our body and its many tissues and organs. So many people eat foods that are actually people. So that makes me think: What do I think is in my food? What is in my food? Don't we have a right to know? It's the same with drinking. There are different kinds of alcohol. Different kinds of sugars. Different kinds of chemically-created processed food. Even something as simple as a McDonald's hamburger has additives that make it taste the way it does. Why? It tastes good. So it sells. It should make you feel good. It makes people feel good. But it could also make you feel happy, but do you feel the happiness? Do you feel like you're drinking people? If you consider yourself a person, then you are. Your body is you. The body is made up of your food. It's made up of lots of sugars. It's made up of your blood. It💎
